

Lincoln Park Summer Learning Experience

BARACK Community Recreation Center is hosting a Summer session that will include physical, cultural, and life skill development. The focus areas are

- academic/life skill achievement
- agricultural service
- physical and sport skill development
- cultural performance

All youth and families are invited to register for this program Season that begins on June 13, 2016 and runs through August 5, 2016. Daily schedule starts at 9:00 a.m. and will finish by 5:00 p.m. Monday to Friday. The program is **free** to all participating families (Parent participation is expected in three events during the session). **\$1.00 Leisure Card Required.** The program will focus on 6 year old to 12 year old youth who wish to use their Summer as a fun filled time that betters their life skills.

The youth will enjoy daily meals, programs, and special events and trips.

The Learning Experience Leadership Academy will assign youth to groups of 5 – 10 youth, where the Olympian theme will explore national identity, sport and cultural reality, and indoor/outdoor experiences. Once registered, a daily schedule provided.
